

A festive holiday scene featuring champagne glasses, a gift box, pinecones, and ornaments on a snowy surface. The background is a soft, out-of-focus white with warm bokeh lights. In the foreground, two champagne flutes filled with bubbly liquid stand on the left. Next to them is a white gift box wrapped with a gold ribbon. Scattered around are several pinecones, silver and gold ornaments, and small wrapped gifts, all resting on a layer of white snow. The overall atmosphere is bright and celebratory.
